## Helping Hand of Myrtle Beach

### Our Mission

Helping Hand is a short-term crisis and referral agency which seeks to address the needs of our community not met by other existing institutions. Our mission is to assist individuals and families with immediate, short-term needs such as food, rent, utilities, and other specialized services, which if not met, would threaten an individual's or family's stability. By providing these services Helping Hand seeks to prevent those in need of basic services from falling into homelessness.
