

2018-2019 CORPORATE SPONSORSHIP PROGRAM

WHY BE A CORPORATE SPONSOR?

Visibility is a powerful advantage, and as a sponsor of the South Carolina Chapter of the Healthcare Financial Management Association (SC HFMA), you gain exposure to a select audience that is 350+ members strong, consisting of CEO's, CFO's, Patient Financial Services Directors, and other healthcare finance professionals. You emerge as a leader by demonstrating your support of professional education and quality programs.

As an SCHFMA sponsor, a wealth of recognition opportunities is yours to explore. At a minimum, you will see your organization's name and logo on pertinent marketing materials and gain on-site acknowledgement and signage at educational conferences. Additional promotional opportunities are available, depending on the category of sponsorship you choose.

With your support and technical expertise, SCHFMA can continue to thrive and provide more valuable services to our members and other healthcare professionals. The South Carolina Chapter is proud of its previous affiliations with sponsors and looks forward to hearing from you.

All sponsorships are received with great appreciation and in good faith, as we are managers of your investment.
